

Build Your Own Adventure

Uncover the natural wonders of Alberta in our Discovery Centre.

Take a journey through our province's air, land, water and biodiversity as your group self-explores through hands-on displays and exhibits, 12 aquariums, and a 35-minute film in the BP Nature Theatre.

DISCOVERY CENTRE EXPLORATION

Exhibit Galleries:

WATER FOR LIFE

Explore water in our world! Learn where it comes from and where it goes. Discover Alberta's watersheds and learn how you can help make a difference.

AQUATIC ALBERTA

Investigate Alberta's aquatic environments; from the Mountain Headwaters to the Boreal Forest Peatlands.

FISH FOREVER

Discover the importance of fish in Alberta, and why Alberta has a stocking program - you may be surprised!

FANTASTIC FISH

Look into the eyes of Alberta's fish in our aquariums, learn about their natural habitats, and discover the anatomy of a trout.

2-hours recommended

\$40/GROUP of up to 10 youth.

One adult supervisor required for every six students. Adult admission fee waived for required supervision. \$9 fee per additional adult beyond 1:6 ratio.

All program activities occur indoors.

ADD A CLASSROOM

\$25/HOUR (Capacity 40 people)

MAKE IT A DAY!

See "Build Your Own Adventure Program Activities" and extend the fun by choosing up to four age-appropriate activities!

Build Your Own Adventure

PROGRAM ACTIVITIES

Choose from a variety of activities as you Build Your Own Adventure.

Prices based on groups of up to 30 people (youth and adult supervisors). One adult supervisor per six youth is required.

Year-Round

INDOOR ACTIVITIES

CREATE A CRAFT [AGES 4-8]

\$50/GROUP
20 mins

Learn the characteristics of Alberta's rainbow trout before creating your own colourful fish hat.

BUILD A HABITAT [AGES 5-8]

\$50/GROUP
30 mins

Discover what a fish needs in a healthy aquatic ecosystem as you create a fish habitat together as a group.

WHO AM I? [AGES 7-12]

\$75/GROUP
45 mins

Put your detective skills to the test as you use clues and fun facts to investigate Alberta's wildlife.

MARSH MYSTERIES [AGES 7-17]

\$75/GROUP
45 mins

Get to know some of Alberta's underwater critters as you investigate them under a microscope, and sketch their different life cycle stages.

Seasonal

OUTDOOR ACTIVITIES

NATURE SENSE [AGES 4-8]

Year-round
\$75/GROUP
45 mins

Connect with nature using all five of your senses on a guided walk through our Interpretive Wetlands.

TRAIL TREKKING [AGES 5-17]

Year-round
\$75/GROUP
45 mins

Discover what it's like to be a naturalist as you trek through our Interpretive Wetlands, and learn about the creatures who make their home in this urban environment.

AGENTS OF DISCOVERY [AGES 8-17]

Year-round
\$75/GROUP
45 mins

Turn screen time into green time! Discover the biodiversity living in Pearce Estate Park using the Agents of Discovery gaming app. Group iPad rental included.

WETLAND WONDERS [AGES 8-17]

May - October
\$75/GROUP
45 mins

Have buckets of fun as you marsh dip in search of the invertebrates that live in the Ducks Unlimited Canada Marsh. Rubber boots recommended.

LEARN TO FISH CLINIC [AGES 6-15]

June - October
\$275/GROUP
90 mins

Discover the lure of fishing through a private Learn to Fish Clinic. Put your new skills to the test at the Kids Can Catch Trout Pond.

LEARN TO SNOWSHOE CLINIC [AGES 6-15]

November-March
\$175/GROUP
90 mins

Learn the basics of trekking over snowy trails with snowshoes strapped to your boots, and explore through Pearce Estate Park.
