SMALL FRY (AGES 2-6) **$190** *YEAR-ROUND*

Celebrate your birthday with Wade the Trout! Uncover a fish's birthday wish as your party explores the exhibits, but be careful to avoid wild predators along the way. Then, create a fishy craft of your own to take home.

FISH FRENZY (AGES 5-7) **$225** *YEAR-ROUND*

Channel your inner fish as your party gets caught up in a frenzy of activities! Meet fishy friends in the aquariums, see which of your guests will catch a whopper in a magnetic fishing game, and find out if you have what it takes to survive as a fish.

CATCH OF THE DAY (AGES 6-12) **$225** *YEAR-ROUND*

Build your party's very own fishin' hole inside our Discovery Centre before searching for your "fishing gear" through the exhibits. Practice your fish identification skills with a magnetic fishing game, and investigate how anglers trick a fish into thinking their hook is a tasty treat.

BUG OUT (AGES 6-15) **$225** *MAY 1-SEP 30*

Have buckets of fun with your guests as you investigate the critters who live among the cattails in the marshes of our Interpretive Wetlands. Caution: this party encourages digging through the mud! Rubber boots recommended.

GO FISH (AGES 7-15) **$250** *MAY 1-SEP 30*

Team up with your party guests in a fish trivia game inside before reeling in the fun outside as you cast a line in our Trout Pond! All required fishing equipment provided. Note: Guests age 16+ require a valid Alberta Sportfishing Licence to fish.
